

Hedley Improvement District September 2021 News Letter

From the Fire Department

On Wednesday, October 6th and Thursday October 7th the fire hydrants will be getting flushed and flow tests conducted so please be mindful of the crew in doing the work. We appreciate you watching out for them.

From the Water Department

July arsenic level – 0.00763

August arsenic level – 0.00864

Some digging needed to be done on Daly Ave as there was a sink hole developing. It was excavated on August 26th and it was found that a very old wooden riser had rotted, then making the road collapse and not due to any leaks in the water system.

Other News – September, 2021

The office will be open five (5) days a week starting the week of
October 18th!

Monday's and Tuesday's 10am-3pm (immediately)
Wednesday thru Friday 10am-2pm (October 18th)

The HID wants your input! Watch your mail boxes in October for
your chance to vote on what the new color of the building will be.

The Board of Trustees have approved to have a POS (Point of Sale)
system in the office. We will be able to accept debit transactions
hopefully by the beginning of October!

**There will be a small service fee of just 10 cents per debit transaction

**Credit cards will not be accepted
